*"Bringing maintenance professionals together since 1974"*

The RMMMA's mission is to bring maintenance professionals together to share ideas, best practices and promote a strong support network that will help members solve new and challenging problems while providing a unique training opportunity. RMMMA meetings are held bi-annually with this year's December meeting taking place at the Ramada in Bismarck, North Dakota. Each meeting features two separate agendas geared specifically toward mobile maintenance or plant maintenance professionals. The next RMMMA meeting will begin at noon on Wednesday, December 6<sup>th</sup>, followed by an Opening Reception with members of the Rocky Mountain Suppliers Group (RMSG) on Wednesday evening from 4 – 6 pm. On Thursday, our members attend a full day session with presentations by RMSG members demonstrating the latest mobile equipment and plant technology as well as specific systems and solutions to help resolve many of the maintenance issues our members are currently facing. The event wraps up Thursday evening with a cocktail hour at 6 pm and a banquet at 7 pm.

The information presented at RMMMA is specifically geared toward ensuring that your maintenance program is keeping up with the latest data on new equipment and technology while avoiding costly mistakes or struggling with issues that other members have already resolved. As an example, a maintenance supervisor at a mine in North Dakota explained how his mechanics received invaluable information from RMMMA when his mine purchased a new fleet of haul trucks that no one had any experience working on. "Other RMMMA members had experience with large fleets of these trucks and their knowledge about how to make them run and their willingness to share it, made it more than worthwhile for our people to attend RMMMA."

There are a lot of good maintenance products out there, especially if you ask the vendors who sell them. RMMMA allows you to bypass the sales pitch and talk directly to the end users who will give you the good, bad and the ugly. Attending RMMMA can help you make more informed purchasing decisions and give you more bang for your maintenance buck. In today's fast paced world, it is absolutely critical for maintenance professionals to stay up to date on proven products and services.

Attending RMMMA is very beneficial for your key mechanics; the folks you depend on to get things done and keep everyone else on track. RMMMA can also be extremely valuable for maintenance managers and supervisors as well as purchasing agents. The RMMMA has built an outstanding network of maintenance professionals, members can pick up the phone or shoot an email to a fellow RMMMA member any time day or night and more often than not, they're provided with a solution or some advice about what to do or where to go for more information or help. Participating in RMMMA will definitely add value to your operation. See you on December 6<sup>th</sup> at the Ramada in Bismarck!

## SUPPLIERS GROUP

[www.rmsuppliersgroup.com](http://www.rmsuppliersgroup.com)

### *SUPPORTING THE ROCKY MOUNTAIN MASTER MECHANICS ASSOCIATION*

The Rocky Mountain Suppliers Group (RMSG) is a nonprofit organization composed of companies, in and around the Rocky Mountain Region, that provide goods and services to the mining, energy, and construction industries. The RMSG is the vendor affiliate of the Rocky Mountain Master Mechanics Association (RMMMA), a network of maintenance professionals that have been gathering since 1974. The RMSG also provides three annual scholarships to the college students in the Rocky Mountain Region who are attending a college or vocational program in pursuit of a career in the mining, energy or construction sectors.

Membership in the RMSG provides exclusive access to the bi-annual RMMMA meetings, which attract maintenance professionals from across the Rocky Mountain region to learn about the latest in maintenance products, services, solutions, and technology. The next RMSG/RMMMA meeting will be held at the Ramada in Bismarck, North Dakota. The event kicks off with a members-only, Opening Reception on Wednesday evening from 4 – 6 pm, where RMSG members can network with maintenance professionals while showcasing their company's latest products and services. On Thursday, RMMMA members attend a full day session with presentations provided exclusively by members of the RMSG, offering educational information on the latest products, services and technologies related to mobile equipment and/or processing plant equipment. The event wraps up with a Banquet on Thursday evening, hosted by the RMSG, which provides yet another opportunity for our members to network directly with the leading maintenance professionals from across the Rocky Mountains. During the meeting, RMSG members are also invited to provided door prizes and host the breaks or lunch on Thursday, where they get a one-on-one opportunity to interface with the RMMMA members.

RMSG membership is open to any company that supplies materials, equipment, and/or services to the mining, energy, and/or construction sectors in the western half of the US. In addition to the many benefits listed above, being a member of the RMSG demonstrates your company's commitment to supporting the industries and maintenance professionals who are the backbone of what makes this country the greatest nation in the world! Hope to see you on December 6<sup>th</sup> in Bismarck!
